**The Synagogue Bulletin will carry a short article about each Kabbalat Mitzvah with a photo. The office will need your bio and photo at least 2 months before your Kabbalat Mitzvah date.**

**Ideas that you can include in your bio are:**

*What school do you attend?*

*What are your favorite subjects to study in school?*

*What are your hobbies and/or interests?*

*What is your G'milut Hasadim project? Why did you choose this project?*

*Give a quote explaining why you're looking forward to becoming a Kabbalat mitzvah.*

**You may e-mail, fax, snail mail or bring your bio in person to Wendy Yablon. Don't forget to bring in your picture!**
