This is the bread of affliction which our ancestors ate in the land of Egypt. All who are hungry, let them enter and eat. All who are in need, let them come celebrate Pesach. Now we are here. Next year in the land of Israel. Now we are enslaved. Next year we will be free.

PHAROAH PHAROAH

Music: Richard Berry
(based on Louie Louie)

Words: Adpated by
Mah Tovv (S. Brodsky,
K. Chasen., Y.
Zweiback)

Chorus:

Pharoah Pharoah

Whoa baby let my people go

Yeah

yeah

yeah

yeah

yeah

yeah!

A burning bush told me just the other day
That I should go to Egypt and say:
It's time to let my people be free.
Listen to God, if you won't listen to me. (chorus)

Well me and my people
Going to the Red Sea
With Pharoah's best army
Com' in after me
I took my staff,
put it in the sand
And all of God's people walked on dry land!
Singin'... (chorus)

Well Pharoah's army
Was a comin' too.
So whad'ya think that God did do?
Had me take my staff
And clear my throat.
And all of Pharoah's army
Did the dead man's float. (chorus)

DAYEINU

Ilu hotzi, hotzianu

If God brought us out from Egypt, it would've been enough.

Ilu natan, natan lanu

If God had given us Shabbat, it would've been enough.

Ilu natan, natan lanu

Natan lanu et ha-Torah (2x)

Dayeinu...

If God had given us the Torah, it would've been enough.

10 PLAGUES IN EGYPT LAND By Peter and Ellen Allard

[▶ Ellen Allard "Ten Plagues in Egypt Land" Song - Children's Passover Song](#)

1. Blood in the water
made the river run red...
(10 plagues in Egypt Land)
Pharoah should've listened
to what God said...
(10 plagues in Egypt Land)
2. Frogs were jumping
in Pharoah's hair...
Pharoah didn't like it
but the frogs didn't care...
3. Creepy, crawly, itchy lice...
Mess with the Holy One
better think twice...
4. Filthy flies so dirty and vile...
(10 plagues in Egypt land)
Not exactly Pharoah's style...

(10 plagues in Egypt land)

5. The Cattle and the horses

And the oxen died...

"I won't give up!"

old Pharoah cried...

6. Boils and blisters

on his skin...

Give it up Pharoah

You're never gonna win...

7. The hail rained down

From the heaven's on high...

(10 plagues in Egypt land)

"I won't give up!"

Old Pharoah cried...

(10 plagues in Egypt land)

8. Swarms of locusts

ate the crops...

Hard-hearted Pharoah

Just wouldn't stop...

9. Dark descended

in the light of day...

Pharoah was lost

Couldn't find his way...

10. First born, the final blow

Finally Pharoah

let the people go...

 Miriam's Song by Debbie Friedman

Chorus:

And the women dancing with their timbrels
Followed Miriam as she sang her song
Sing a song to the One whom we've exalted
Miriam and the women danced and
danced the whole night long

Miriam was a prophet of unique variety
The tapestry she wove was one
 which sang our history
With every strand and every thread
 she crafted her delight
A woman touched with spirit,
 she dances toward the light. (chorus)

As Miriam gazed upon the shores
 and gazed across the sea
The wonder of this miracle
 she soon came to believe
Whoever thought the sea would part

with an outstretched hand
And we would pass to freedom
and march to the promised land (chorus)

And Miriam the Prophet
took her timbrel in her hand
And all the women followed her
just as she had planned.
And Miriam raised her voice in song
she sang with praise and might
We just lived through a miracle,
we're going to dance tonight! (chorus)

Dayeinu for Passover 2024 by Cantor Evan Kent

It would have been enough...

Dayeinu.

If only we been able to celebrate Simchat Torah on October 7th with the shouts of joy in the streets

instead of the sirens in our boulevards- it would have been enough.

Dayeinu.

If only our safe rooms kept us truly safe- it would have been enough.

Dayeinu.

If only the dancing at the festival had continued until the next morning- it would have been enough..

Dayeinu

If only the world had understood that true evil exists- it would have been enough.

Dayeinu

If only all the hostages would have been released- it would have been enough.

Dayeinu

If only the voices of women worldwide had joined in support of Israeli women- it would have been

enough.

Dayeinu

If only all the nations of the world had condemned the perpetrators rather than the victims when our cries and screams were still reverberating in the heavens- it would have been enough.

Dayeinu

If only all our allies- those with whom we have supported and walked arm in arm had raised their

voices- it would have been enough.

Dayeinu.

If only Israeli military leaders had heeded the warnings and cautions- it would have been enough.

Dayeinu

If only children held captive could have been united with their parents- it would have been enough.

Dayeinu

If only parents held captive could have been united with their children-it would have been enough.

Dayeinu

If only we would use religion for peace and not for hatred- it would have been enough.

Dayeinu

If only an outstretched arm had really redeemed us- it would have been enough

Dayeinu

If only our tears had never been so bitter- it would have been enough.

Dayeinu

If only Elijah would appear in our doorways- it would have been enough.

Dayeinu

If only all those still held hostage were seated at our seder tables- it would have been enough.

Dayeinu

If only- if only- it would have been enough...

Dayeinu v'lo dayeinu.

It is not enough, and it is not enough.
